

2026 VOTER GUIDE

Maine Right to Life is a state affiliate of National Right to Life Committee and is a statewide non-profit corporation. It was founded to protect the dignity and worth of each human life. We seek to uphold the inviolable sanctity of human life from conception to natural death by making abortion, infanticide, and euthanasia socially, ethically, and legally unacceptable and to actively promote positive alternatives .

Questions for State Candidates

1. Do you agree that every human life has inherent dignity and deserves legal protection from conception until natural death?
2. Would you support legislation requiring that, before an abortion, a woman receive written information about the risks of abortion, available alternatives, fetal development, and a 24-hour reflection period?
3. Would you support legislation requiring that a woman considering an abortion be offered the opportunity to view a live ultrasound before the procedure?
4. Would you support legislation prohibiting the use of fetal tissue obtained from elective abortions for scientific research?
5. Would you support legislation requiring parental notification before a minor may obtain an abortion, except as provided by law?
6. Would you support legislation requiring abortion facilities in Maine to be licensed and subject to the same health and safety inspections as other outpatient surgical facilities?
7. Would you support legislation requiring an ultrasound before an abortion to assist in determining gestational age, confirming the location of the pregnancy, and identifying possible complications?
8. Would you support legislation requiring that only licensed physicians perform abortions in Maine?
9. Would you support legislation requiring that women considering a chemical abortion (abortion pill) receive written information about the known risks, possible complications, and available medical follow-up care?
10. Would you support legislation prohibiting the use of state taxpayer funds to subsidize abortion providers?
11. Would you support a constitutional amendment that could be interpreted to invalidate Maine laws that distinguish on the basis of sex?
12. Would you support repealing Maine's death with dignity act?
13. Would you support strengthening Maine's safe haven law to encourage the safe surrender of newborns in crisis situations?
